Dear Jane

Royal Hobart Hospital Pathology Services 3p Consulting report into Bullying and Harassment

On the 7th of February 2014 the CPSU wrote to Wendy Rowell Group Manager Clinical Support and Director Allied Health in relation to the outcomes of a CPSU Pathology Services member meeting held on the 3rd of February 2014.

In that letter we detailed the actions CPSU members expected in relation to the recommendations made in the Tasmanian Industrial Commission ordered report into Bullying and Harassment within Pathology Services at the Royal Hobart Hospital.

The CPSU in that letter expressed that we wanted a reply to the letter by the 21st of February 2014. We have not received any formal response to the letter by anyone at THO South.

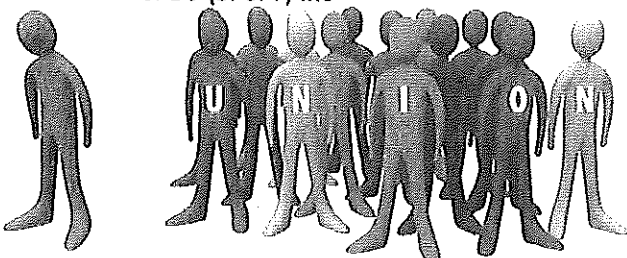

As a result of the lack of reply as well as ongoing CPSU member concern at the lack of progress on the recommendations we require a formal response to the letter sent to Wendy Rowell on the 7th of February 2014 by C.O.B Wednesday the 26th of March 2014. Should we not receive a formal response by that time we will bring this matter to the attention of the Tasmanian Industrial Commission.

Yours sincerely,

Nick Duncombe
